

**INTRO:** As part of work with the King County Regional Homelessness Authority (KCRHA), I'd like to ask you some questions we're required to ask and collect for our funders about unsheltered homelessness in our region. Your participation is voluntary and will not affect any services you or your family are seeking or currently receiving. We are surveying many people and will put all responses together, so it will not be possible to identify you from the information you provide here. As a token of appreciation for your time, we will give you a \$20 preloaded debit card, OR \$40 for families with minor children at the end. Would you be willing to talk with me for about 30 min?
